UNDERWEAR!

Resumo de Pants

A rollicking, young, funny homage to underwear, *Pants* is a celebration of all things undergarment. Filled with hairy pants and scary pants, bunny pants and no pants, animals and people cavort across the brightly colored pages showing off their underwear.

This is a great book for toddlers— or anyone—looking for a silly, upbeat picture book. Nick Sharratt's increasingly recognizable artwork is nicely showcased in this generously sized package.
