

The background of the cover is a warm, orange-toned collage of geometric shapes and tools. It includes a large pink compass on the left, a yellow ruler at the bottom, and various overlapping geometric forms like triangles and circles. The title 'DESENHO GEOMÉTRICO' is prominently displayed in a blue-bordered box at the top. Below it, the author's name 'Isaiás Marchesi Júnior' is written in a white, bold font. In the center, a blue triangle contains the number '1', indicating it is Volume 1. The publisher's logo 'EA' is in the bottom right corner.

# Resumo de Pedro e o Diabo da Croácia

Se o diabinho que acompanha São Nicolau no Natal da Croácia soubesse que Pedro não tinha se comportado bem, o seu presente seria uma bela surra!
