Resumo de Plague

It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building in *Plague*, Michael Grant's fourth book in the New York Times bestselling *Gone* series. A highly contagious fatal illness is spreading at an alarming rate, while sinister, predatory insects terrorize Perdido Beach.

Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love?
