Resumo de Pride and Prejudice and Zombies

In the five years since its publication, *Pride and Prejudice and Zombies* has become a true cultural phenomenon, amassing a legion of fans and spawning an entire “mash-up” genre. As our story opens, a mysterious plague has fallen upon the quiet English village of Meryton .

. . . and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she’s soon distracted by the arrival of the haughty and arrogant Mr.

Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers—and even more violent sparring on the blood-soaked battlefield as Elizabeth wages war against hordes of flesh-eating undead.

This movie tie-in edition features eight pages of color movie stills and a new introduction by coauthor Seth Grahame-Smith.
