## Resumo de Pronunciation Plus Student's Book: Practice Through Interaction

This book helps students improve their pronunciation through a variety of stimulating listening and speaking exercises. Pronunciation Plus Student's Book helps intermediate-level students improve their pronunciation through a variety of stimulating listening and speaking tasks that address all the important topics in English pronunciation: individual speech sounds, sounds in connected speech, stress, rhythm, intonation, and spelling.

Many of the tasks are done with a partner or in small groups, giving students the opportunity to interact with their classmates while practicing their pronunciation.
