# Resumo de Replant: How a Dying Church Can Grow Again

Grow Where You're Replanted Today's spiritual landscape is littered with churches on their last legs, forcing us to reconsider how we keep the Body of Christ alive and strong. The solution, according to visionary pastors Darrin Patrick and Mark DeVine, is to infuse new blood into the body and by seeking God's presence and guidance.

Avoiding cookie-cutter steps or how-to formulas, "Replant" describes the story of a church resurrection, a story that offers a multitude of divinely inspired, and practical possibilities for church planters. The result is a harvest of inspiring ideas on how to inspire new church growth.

Discover a new openness to churches merging with other congregations, changing leadership, and harvesting fresh spiritual fruit--inviting us all to re-think how churches not only survive, but thrive.
