RESCUED

A military helicopter, possibly a Black Hawk, is shown in flight over a dark body of water at night. The helicopter is illuminated by a bright, warm light source, likely a searchlight or moonlight, creating a strong contrast with the dark background. The rotor blades are blurred, suggesting motion. The overall scene conveys a sense of urgency and rescue.

Resumo de Rescued

The death toll rises as the great Wrath of the Lamb earthquake ends. Survivors throughout the world search to find family and friends lost during the earthquake, and the Young Trib Force is no exception.

In the midst of tragedy and chaos, Judd and Vicki must use every measure possible to avoid capture by the Global Community. Join the Young Trib Force as they rely on God's help to get them through the most dangerous time to be alive. The events in "Rescued" parallel those that occur in the bestselling book "Soul Harvest."
