Resumo de Rocket Raccoon Vol. 2: Storytailer

Rocket Raccoon continues his quest to try to fix his past...um, bad calls, but as a stranger stalks him from the shadows, he just might cause a cosmic calamity on the dreaded Winter Planet!

Then, what happens when you water Groot a little too much? Grootzilla! He's faster than a speeding Rocket, more powerful than Drax the Destroyer, able to eat tall buildings in a single gulp - and he's not happy!

And Rocket's skills will be put to the ultimate test as he challenges everything he's known about himself. Does the Book of Half-World - the mythical text of Rocket's early adventures- actually exist, or was it all a big hoax?

Is Rocket really the last of his kind? Find out once and for all, right here!
