Resumo de Rotten, Volume One: Reactivated

Meet William Wade, Civil War vet, reluctant secret agent answering to President Rutherford B. Hayes, and zombie-hunter! In Reactivated, Agent Wade begins his mission with partner J.J. Flynn in a mining town locked down in a labor dispute and a siege of the undead.

Plus, the two agents go undercover in an isolated, snowbound, debauched Army fort under slow attack by the undead - uncovering a Donner-like party and the fact that the wretched things are arising in different species everywhere.

Collecting the first six issues of Moonstone's acclaimed zombie-Western epic with an edgy topical bite.
