Resumo de Scalped Deluxe Edition Book One

Fifteen years ago, Dashiell "Dash" Bad Horse ran away from a life of abject poverty and utter hopelessness on the Prairie Rose Indian Reservation searching for something better. Now he's come back home armed with nothing but a set of nunchucks, a hell-bent-for-leather attitude and one dark secret, to find nothing much has changed on "The Rez" - short of a glimmering new casino, and a once-proud people overcome by drugs and organized crime.

Is he here to set things right or just get a piece of the action? This new collection of this modern classic series from superstar writer Jason Aaron is now in a deluxe format with bonus material and exclusive sketches from artist R.M.

Guera.Collects Scalped #1-11.
