Resumo de Sherlock: The Essential Arthur Conan Doyle Adventures

Each of these nineteen tales, from Sherlock's first appearance in *A Study in Scarlet* to the late classic *The Dying Detective*, is a potent mix of murder, suspense, cryptic clues, red herrings, and revenge a groundbreaking combination of forensic science and bold storytelling.

Sherlock Holmes established new rules for what a fictional hero could be, and provided a template for detective stories we still follow today. With introductions to each story by producers Steven Moffat and Mark Gatiss, this beautifully designed collection is the perfect introduction to the world of Sherlock Holmes and the ultimate gift for fans of the show it inspired.
