Resumo de Someday

Alison McGhee and Peter H. Reynolds s #1 "New York Times "bestselling and beloved story of a mother s love and dreams for her child is now available in a beautiful keepsake edition.

"One day I counted your fingers and kissed each one... Sometimes, when you sleep, I watch you dream, and I dream too That someday you will dive into the cool clear water of a lake...

Someday I will watch you brushing your child s hair... Someday... " A deceptively simple, powerful ode to the potential of love and the potential in life, "Someday" is the story of what every mother wishes for her child: a chance to live life at its fullest to experience great joys, to stretch, to grow, to understand sorrow, to have a future to have a someday.

This shimmering, achingly beautiful, and poignant tale created by two great talents takes this idea and turns it into something that will touch every reader. "Someday," now available in a gorgeous keepsake edition, is a story you ll want to share with a special someone today and every day."
