Resumo de Soppy: A Love Story

"The next hot ticket could be British artist Philippa Rice, whose marvelously inventive blogs My Cardboard Life and Soppy have won her fans across the world." --Anna Baddeley, The Observer The wildly popular web comic SOPPY--with more than half a million notes on Tumblr--is the illustrated love story of author Philippa Rice and her real-life boyfriend.

True love isn't always about the big romantic gestures. Sometimes it's about sympathizing with someone whose tea has gone cold or reading together and sharing a quilt. When two people move in together, it soon becomes apparent that the little things mean an awful lot.

The throwaway moments in life become meaningful when you spend them in the company of someone you love. SOPPY is Philippa Rice's collection of comics and illustrations based on real-life moments with her boyfriend.

From grocery shopping to silly arguments and snuggling in front of the television, SOPPY captures the universal experience of sharing a life together, and celebrates the beauty of finding romance all around us.
