

SPAWN

BEGINNINGS

Resumo de Spawn

These are the stories that started the legend. Al Simmons, formerly one of our government`s greatest soldiers, was resurrected from the ashes of his own grave. Reborn as a creature from the depths of Hell, disfigured, homeless, and alone, this new warrior known as Spawn now wanders the shadowy alleys of New York City in search of his past life.

Robbed of his memories and identity, this freshly created man whose body is nothing more than scars and torn flesh becomes a protector of the weak, the poor, the downtrodden and other victims of circumstance.

While Spawn tries to piece together his confusing existence, an unwelcome mentor reveals the purpose of his abrupt return to earth. But since this guide comes from the dark side, can he be trusted to tell the truth?

And just what is the truth? Find out why Spawn exists, who his real enemies are, and whom he can trust, for in this twisted world of shadow players, nothing is as it appears.
