Resumo de The Archangel Guide to Enlightenment and Mastery: Living in the Fifth Dimension

This book offers the reader information, exercises and meditations to become an enlightened master in this lifetime. Diana Cooper and Tim Whild explain why this twenty-year period offers an unprecedented opportunity for spiritual growth, and to help you take advantage of this, they connect you to the highest frequency dragons, unicorns, angels and great ascended masters from all over the universe, who are assisting you to move into your true potential.

For the first time since the golden era of Atlantis those who are ready can be bathed in ninth-dimensional frequencies. The entire book vibrates at the fifth to seventh dimension, interwoven with incredible shining ninth-dimensional threads.

Lord Kuthumi, the world teacher, takes you into his twelve teaching temples, where he and great universal angels and masters take you on a training course into enlightenment and mastery.

In addition, many of the greatest masters ever to serve our planet share their secrets and assistance. Lord Voosloo, the highest frequency high priest to have served in Atlantis has allowed us to access his incredible energy to take the reader to the highest levels now achievable on planet Earth.

This book is a must-have read for those who wish to fulfill their soul missions in this life and serve Gaia in the fifth dimension and beyond."
