Resumo de The Art of War - A Samurai Master Class

Few books have continued their bestselling status centuries after their author's death. Like other classics, such as the Gospels of Jesus, and Lao Tze's Tao Te Chung, there is much discussion of who actually wrote them and how.

What is important is how such books are used. Because only extremely useful books continue in demand at bookstores, especially over generations. This book is entitled A Samurai Master Class, as two additional classics, "The Book of Five Rings" and "Bushido, the Soul of Japan" have been included.

No study of this period would be complete without understanding the strategies, tactics, and ethics of the Samurai. All of us have our journey to follow. In this, the Art of War can become the Way of Peace.

This is presented as the old Japanese proverb told, "There are many paths up the mountain." In that spirit, this book is humbly presented for your use. Scroll Up and Get Your Copy Today!
