Winner of the Nobel Prize in Literature

The Certificate

A Novel

Resumo de The Certificate

David Bendiner, a young writer and secularized Jew, has qualified to emigrate from Warsaw to Palestine, but he's broke, and in order to make the journey, he must enter into a fictitious marriage with a prosperous woman eager to get there.

Grappling with romantic, political and philosophical turmoil, David must also confront his faith when his father, an Orthodox rabbi, shows up in Warsaw.
