Resumo de The Fear Machine

In THE FEAR MACHINE, John Constantine looks for a way to reconnect to humanity -- but how can such a man ever find inner peace? Constantine finds himself encamped with a new-age pagan group that's tapping into their own psychic abilities -- but a defense contractor is out to exploit their powers.

Is the company's aim just political, or is it something much more sinister? This volume collects issues 14-22 of the original series.
