The Invisible Man

With an introduction by CHRISTOPHER PRIEST

Resumo de The Invisible Man

With his face swaddled in bandages, his eyes hidden behind dark glasses, and his hands covered even indoors, Griffin—the new guest at the Coach and Horses—is at first assumed to be a shy accident victim.

But the true reason for his disguise is far more chilling: he has developed a process that has made him invisible and is locked in a struggle to discover the antidote.

Forced from the village and driven to murder, he seeks the aid of an old friend, Kemp. The horror of his fate has affected his mind, however, and when Kemp refuses to help, he resolves to wreak his revenge.
