Resumo de The Jesuits: The Society of Jesus and the Betrayal of the Roman Catholic Church

In *The Jesuits*, Malachi Martin reveals for the first time the harrowing behind-the-scenes story of the "new" worldwide Society of Jesus. The leaders and the dupes; the blood and the pathos; the politics, the betrayals and the humiliations; the unheard-of alliances and compromises.

The Jesuits tells a true story of today that is already changing the face of all our tomorrows.
