

THE LATE GREAT UNITED STATES

A FINAL WARNING as a Nation's Destiny Unfolds

PERRY STONE

Best-selling author of *Deciphering End-Time Prophetic Codes*

Resumo de The Late Great United States: A Final Warning as a Nation's Destiny Unfolds

America's prophetic past, present, and future revealed. In this landmark book best-selling author Perry Stone explains how present trends are tied directly to biblical prophecy. You'll read seldom-reported eye-opening insights that explain the reason for terrorism, debt, natural disasters, and the chaos in our cities.

Some say America is the last great end-times empire. But is our nation's current moral chaos a repeat of Imperial Roman Empire history, or are the terror wars, bailouts, and extreme natural disasters a preview of ancient prophecies unfolding in our generation?

Find out what will happen and what you can do to be prepared as our nation's destiny unfolds. "
