"a profoundly important new analysis of the meaning of Genesis."

FRANCIS S. COLLINS, author of *The Language of God*

THE LOST WORLD OF GENESIS ONE

Ancient Cosmology and the Origins Debate

JOHN H. WALTON

Copyrighted Material

Resumo de The Lost World of Genesis One: Ancient Cosmology and the Origins Debate

In this astute mix of cultural critique and biblical studies, John H. Walton presents and defends twenty propositions supporting a literary and theological understanding of Genesis 1 within the context of the ancient Near Eastern world and unpacks its implications for our modern scientific understanding of origins.

Ideal for students, professors, pastors and lay readers with an interest in the intelligent design controversy and creation-evolution debates, Walton's thoughtful analysis unpacks seldom appreciated aspects of the biblical text and sets Bible-believing scientists free to investigate the question of origins.
