

THE MARAUDERS

TOM COOPER

A
NOVEL

"Bolluxing, ugly, eye-popping, and full-on-the-floor funny . . . The cast is winning, the post-Katrina bayou setting is richly evoked, the dialogue crackles, and the story rolls on a wave of invention. It's a little Elmore Leonard, a little Charles Portis, and very much its own uniquely American call. Tom Cooper has written one hell of a novel."

—STEPHEN KING
