JON KLASSEN

## Resumo de The Nest

"The Nest" leaves a lasting mark on the memory. "The New York Times Book Review" Steve just wants to save his baby brother but what will he lose in the bargain?

Kenneth Oppel's ("Silverwing," "The Boundless") haunting gothic tale for fans of "Coraline," is one of the most acclaimed books of the year, receiving six starred reviews. Illustrations from Caldecott Medalist Jon Klassen.

For some kids summer is a sun-soaked season of fun. But for Steve, it's just another season of worries. Worries about his sick newborn baby brother who is fighting to survive, worries about his parents who are struggling to cope, even worries about the wasp's nest looming ominously from the eaves.

So when a mysterious wasp queen invades his dreams, offering to fix the baby, Steve thinks his prayers have been answered. All he has to do is say Yes. But yes is a powerful word.

It is also a dangerous one. And once it is uttered, can it be taken back? Celebrated author Kenneth Oppel creates an eerie masterpiece in this compelling story that explores disability and diversity, fears and dreams, and what ultimately makes a family.

Includes illustrations from celebrated artist Jon Klassen."
