lee falk, wilson mccoey, and ray moore

# Resumo de The Phantom the Complete Newspaper Dailies Volume 7

The critically acclaimed, best selling complete reprint of The Phantom dailies continues! Referred to by comic strip historian Maurice Horn as the "granddaddy of all costumed superheroes," The Phantom was created in 1936 by Lee Falk with artwork by Ray Moore.

The strip hit the funny pages of newspapers well before the Dark Knight or Superman made their first appearances and has been acknowledged as an influence on every "masked man of mystery" since.

The Phantom set the standard for action, adventure, intrigue, and romance in adventure comic strips and comic books - it has frequently been copied but never equaled. Volume Seven presents four complete continuities, reprinted for the first time in their entirety, "Princess Valerie," "Queen Asta of Trondelay," "Mister Hog," and "Romance of the Vesta Pirates."
