Julian Barnes

Author of *Flaubert's Parrot*

"Wonderfully agile... the provocations are as numerous as the title indicates.... [Barnes] is witty and telling and may not be outracing events by a great deal." *Los Angeles Times*

Resumo de The Porcupine

The author of *Talking It Over* trains his laser-bright intelligence and phosphorescent prose on the ambiguities raised by the collapse of Communism in Eastern Europe. "His literary energy and daring are nearly unparalleled among contemporary English novelists."--New Republic.
