## Resumo de The Siren

Notorious Nora Sutherlin is famous for her delicious works of erotica, each one more popular with readers than the last. But her latest manuscript is different--more serious, more personal--and she's sure it'll be her breakout book...if it ever sees the light of day.

Zachary Easton holds Nora's fate in his well-manicured hands. The demanding British editor agrees to handle the book on one condition: he wants "complete" control. Nora must rewrite the entire novel to his exacting standards--in six weeks--or it's no deal.

Nora's grueling writing sessions with Zach are draining...and shockingly arousing. And a dangerous former lover has her wondering which is more torturous--staying away from him...or returning to his bed? Nora thought she knew everything about being pushed to your limits.

But in a world where passion is pain, nothing is ever that simple.
