

The background of the cover features a silhouette of a man wearing a top hat, looking out over a city skyline at night. The skyline includes several prominent buildings, with one building on the right having a glowing window. The overall color palette is dark, with the man's silhouette and the city buildings in black and dark grey, and the sky in a deep blue or black. The title and author's name are printed in gold and white.

"Strange, outrageous, and wonderful." —*Washington Post*

THE
SOMNAMBULIST

A Novel

JONATHAN BARNES

AUTHOR OF THE DOMINO MEN

Resumo de The Somnambulist

Once the toast of good society in Victoria's England, the extraordinary conjurer Edward Moon no longer commands the respect that he did in earlier times. Still, each night he returns to the stage of his theater to amaze his devoted, albeit dwindling, audience, aided by his partner, the Somnambulist--a silent, hairless, hulking giant who, when stabbed, does not bleed.

But these are strange, strange times in England, with the oddest of sorts prowling London's dank underbelly. And the very bizarre death of a disreputable actor has compelled a baffled police constabulary to turn once again to Edward Moon for help--inevitably setting in motion events that will shatter his increasingly tenuous grasp on reality.
