Resumo de The Sourtoe Cocktail Club: The Yukon Odyssey of a Father and Son in Search of a Mummified Human Toe... and Everything Else

A father-and-son love story set against epic backdrops and overlooked places After Ron Franscell's divorce, he feared he was the continuing link in a long chain of estranged fathers. But when the author and his teenage son embark on a road trip to the Yukon to seek out a macabre cocktail containing an amputated human toe, they unwittingly begin a journey into their own past, present and future.

The Sourtoe Cocktail Club is a true-life love story about fathers and sons, set against epic backdrops and overlooked places. It is also a road book that attempts to answer, for one father and son, a pivotal life question: Where does the road go?
