Resumo de The Time Chamber: A Magical Story and Coloring Book

Korean artist Daria Song's sequel to "The Time Garden" takes readers on a visual journey into a magical nighttime world seen through the eyes of a fairy. This is the second adult coloring book in the bestselling "Time" coloring series, featuring the voyage of a fairy who, when the cuckoo clock chimes midnight, enters the human world.

To the tiny fairy, everything seems enormous and magical, from the curtains to the chandelier to a mystical rowboat that takes her further into an inky adventure. With her she packs her favorite items, which colorers can find throughout the book's pages: an owl-feathered pen, a star-scented spray, a time tape measure even the key to the time chamber itself!

Filled with the imaginative, intricately detailed illustrations Song's readers have come to love, "The Time Chamber" presents a view of our world made new and ready for coloring. "The Time Chamber" features extra-thick craft paper, ideal for non bleed-through coloring, and the jacketed cover with flaps is removable and colorable. Special gold-foil stamping on the cover and spine and a To/From page make it perfect for gifting to adults and kids alike."
