# Resumo de The Unofficial Guide to Disneyland 2017

A great destination and thorough preparation are what make a wonderful vacation, and "The Unofficial Guide to Disneyland" makes Disneyland one of the most accessible theme parks in the world.

With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader's vacation. Whether they are at Disneyland for a day or a week, there is a plan for any group or family.

They can enjoy the rides, activities, and entertainment instead of spending their time in lines. Comprehensive information is presented in a way that permits easy comparisons and that facilitates decision making.

There are detailed plans and profiles of hotels, restaurants, and attractions that are presented in at-a-glance formats that provide for near instant communication of the most salient information. Profiles are supplemented by indexes.

In short, we've got a plan for every reader. "The Best Travel Writing, Volume 11" is the latest in the annual Travelers' Tales series launched in 2004 to celebrate the world's best travel writing from Nobel Prize winners to emerging new writers.

The points of view and perspectives are global, and themes encompass high adventure along with encounters with exotic cuisines and cultures. Includes winners from the annual Solas Awards for Best Travel Writing.
