

"Brilliant, with
action and suspense
all the way."
—TERRY BROOKS

A hooded figure, possibly a knight or a warrior, stands in a desert landscape under a bright, hazy sky. The figure is wearing a dark, textured hooded cloak and a mask that covers the face, leaving only the eyes visible. The figure's hands are clasped in front of them. The overall tone is dramatic and mysterious.

Resumo de The Warded Man

As darkness falls after sunset, the corelings rise demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile.

It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault.

Now, with hope for the future fading, three young survivors of vicious demon attacks will dare the impossible, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past.

Together, they will stand against the night."
