# Resumo de The Year of Living Shamelessly

A red-hot romance of a good girl gone bad?from a winning voice in wickedly fun erotica. Every year, Katie makes the same New Year's resolution: have an affair with her brother's kinky and wild best friend, Ryder.

Every year, she faces the same disappointment. It doesn't help that her good-girl reputation can't stand up to the hot competition, or that Ryder's always seen Katie as just his friend's innocent little sister.

Until Katie makes the first move?and matches him, kink for kink. Because this year, Katie knows what she wants. And she's going to get it.
