

The background of the cover is a deep black space filled with numerous small white stars. Several larger, colorful celestial bodies are scattered across the upper half: a bright red planet, a blue planet, and a yellowish planet. On the left side, a portion of the Earth is visible, showing its characteristic blue oceans and green landmasses. The lower half of the cover is dominated by a large, detailed view of the Moon's surface, showing its characteristic grey and blue tones and a dense field of impact craters of various sizes.
