Resumo de Tom of Finland XXL

'Tom of Finland XXL' contains over 1,000 images, covering six decades of the artist's career. The work was gathered from collections across the US and Europe with the help of the Tom of Finland Foundation, and features many drawings, paintings and sketches never previously reproduced.

Other images have only been seen out of context and are presented here in the sequential order Tom intended for full artistic appreciation and erotic impact. This oversized volume showcases the range of Tom's talent, from sensitive portraits to frank sexual pleasure to tender expressions of love and haunting tributes to young men struck down by AIDS.
