STUDENT'S BOOK

Resumo de Touchstone Level 1 Student's Book B with Audio CD/CD- ROM [With CD]

Touchstone Student's Book 1 is the first level of the innovative Touchstone series and is designed for beginning students. Drawing on research into the Cambridge International Corpus, a large database of language that includes everyday conversations and texts from newspapers and books, Student's Book 1 presents the vocabulary, grammar, and functions students encounter most often in real life.

It makes learning fun by maximizing the time students spend on interactive, personalized activities on high-interest topics. A free Self-Study Audio CD/CD-ROM at the back of the book gives students further practice in listening, speaking, and vocabulary.
