STUDENT'S BOOK

# Resumo de Touchstone Student's Book 3A With Cd/Cd-Rom

Easy and enjoyable to teach, Touchstone offers a fresh approach to the teaching and learning of English. Touchstone Student's Book 3 is the third level of the innovative Touchstone series.

Drawing on research into the Cambridge International Corpus, a large database of language that includes everyday conversations and texts from newspapers and books, Student's Book 3 presents the vocabulary, grammar, and functions students encounter most often in real life.

A free Self-Study Audio CD/CD-ROM at the back of the book gives students further practice in listening, speaking, and vocabulary. Student's Book 3A contains units 1-6, the first half of the complete Level 3 Student's Book.
