Resumo de Transformers Animated II: The Allspark Almanac

Transformers Animated is the most whimsical Transformers series ever. The AllSpark Almanac II captures that magic with a wondrous examination of this amazing universe. This 220 page volume is packed with behind-the-scenes sketches, interesting facts, production artwork and musings from the characters themselves.

Relive the thrill of the final season of Animated and learn what might have been had the show continued. Explore the metallic plains of Cybertron and meet its colorful denizens.

Discover more about the action-figures that accompanied the cartoon. Hard-core fans and neophytes alike will find this an essential tome. You won't want to miss it!
