To claim her rightful place...
she'll have to challenge one dangerous man

Tribby

Resumo de Trilby

New York Times bestselling author Diana Palmer brings you her classic tale of a young woman who discovers her own strength in the wilds of the American West -- available for the first time in over a decade.

Arizona, 1910 Dear Diary, It will take more than threats -- and one overbearing rancher -- to drive me away from my rightful property . . . When I inherited this isolated land near the Mexican border, I knew running it would be difficult and dangerous -- very different from my privileged life in Louisiana, where I was the genteel Miss Trilby Lang.

But I certainly didn't expect that my neighbor, Thorn Vance, would be challenging me at every turn. Or that his brusque, ruggedly appealing ways would prove a dangerous temptation that I'm finding harder and harder to resist.

Now, with trouble sweeping the territory, I need his help. But how much will I risk putting myself in the hands of a man who's used to getting exactly what he wants?
