VALENTINE'S DAY DOGNAPPING

By Gail Herman

Resumo de Valentine's Day Dognapping

Scooby-Doo, that lovable canine super-sleuth, has become a Scholastic star. The stories in this reading format are easy to read and fun to solve. The Scooby-Doo Readers are a level above the Picture Clue Books.

The text is easy-to-read and the art is bold and full-bleed, making these an appealing Level 2 reader. Scooby and his buddies are trying a new pizza parlor--the food is great, but there's something strange about the owners.

They wear pointed hats and black clothes. They live in a spooky old house. Could they be witches? And what do they want with Scooby's new girlfriend? It looks like another mystery for Scooby and the gang!
