

VERTICAL  
QUARTERLY

## Resumo de Vertigo Quarterly Sfx

POP! SLAM! KRAK! BANG! Sound effects bring that extra bit of vibrancy to an already exciting comics page! Following the success of Vertigo's CMYK Anthology, which explored the four colors that make up a comic book, we continue to push the boundaries of short storytelling with 2015's SFX Anthology.

Comics luminaries will converge with the next generation of talent as they interpret four different sound effects, leading to mind-bending innovations in story and art. Collects Vertigo Quarterly SFX #1-4.
