

The illustration depicts a scene with a green vine at the top. A large, yellow, spotted fabric hangs from the vine, partially covering a green character on the left. The green character has a yellow circular shape on its back and is looking towards the right. On the right, a pink rabbit-like creature stands on its hind legs, looking towards the green character. In the bottom center, another smaller pink rabbit-like creature is visible. The background is a warm, orange-yellow gradient.
