

1 VOLTA

The background of the cover features a complex, artistic design. It consists of several concentric, slightly irregular circles in shades of teal and blue, creating a sense of depth and movement. On the left side, there is a vertical band of deep purple with a textured, almost fabric-like appearance. In the center, a clock mechanism is depicted, with its gears and hands rendered in a golden, metallic style. Instead of a traditional clock face, there is a glowing red heart shape in the middle, which appears to be the source of light, casting a warm glow. The overall composition is layered and visually rich.
