## Resumo de Wanted

What if everything in your life was out of your hands and those around you propelled your fate? Your girlfriend left you for your best friend; your boss gave your job to someone better.

What if then, after all this, someone gave you back total control? What if he revealed you were the next in line to join a secret society of supervillains that controlled the entire planet?

Mark Millar and J.G. Jones provide a look at one man who goes from being the world's biggest loser to the deadliest assassin alive.
