Flip the Flaps

Dr. Mike Goldsmith and John Butler

Resumo de Weather

Questions are the first step to early scientific exploration. Each book in the popular Flip the Flaps series encourages children's curiosity through an engaging and interactive format filled with popular questions on flaps and answers underneath.

Bonus spot-the-difference games appear under some flaps too. Young explorers are encouraged to flip the flaps to find out answers about common weather phenomena like lightning, cloud formation, rainbows, and catastrophic storms.

The detailed illustrations and descriptive text paired with the interactive flaps picture games make "Flip the Flaps: Weather" a unique and entertaining informational book.
